

PROCORE

| Get More Out of DocuSign

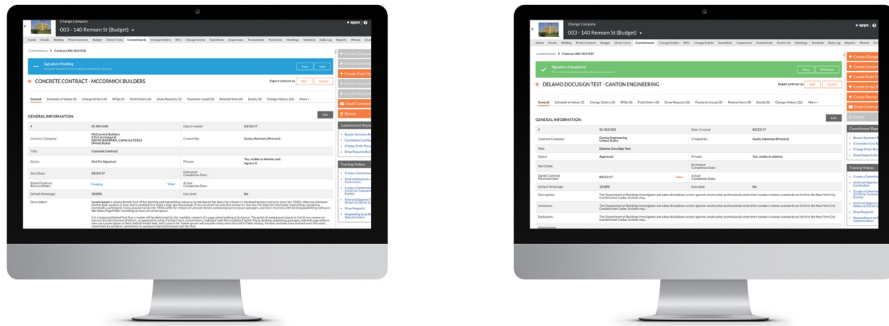

Move your project forward seamlessly with DocuSign on Procore's Construction Operating System. The integration allows users to send, receive, review and return signed documents any time and from any device, all from within Procore.

Procore's integration with DocuSign allows all Procore users with a DocuSign account to send, receive, review and return their signed contracts and change orders online, at any time and from any Internet-enabled device. Sign, view statuses and track all your Documents, Commitments, Purchase Orders, Prime Contracts, Commitment Change Orders and Prime Contract Change Orders from inside the Procore App.

Customer Outcomes

- Sign with trust and confidence on the most secure and widely used eSignature solution
- Simplify your daily process — track status and view live documents within the Procore experience
- Introduction to tools for reporting and planning
- Move your project forward quickly — sign, send and manage documents on any internet-enabled device
- Keep projects on time
- Manage all your contracts in one place
- Improve efficiency and grow your business by going digital
